Mike, I just returned from vacation, I was gone from Dec. 22 though today. I will investigate this Monday when I return to NC... In addition, today, I asked GGRC to send me the traffic reports for traffic between our companies for the last few months. I will need to compare that to the data that you sent me in order to accurately respond to your request...

I have not heard back from you on this. The data was provided as requested. Is there anything else you need to move forward?
